Day 1: Windhoek – NamibRand Nature Reserve

Your personal chauffeur guide will meet you at your hotel in Windhoek, from where you will begin a truly fascinating trip. We drive along a panoramic route across the central highlands and follow the steep gradients of the Spreetshoogte Pass down into the vast plains of the oldest desert in the world. Throughout the day we will use many opportunities for photography and appreciation of the inspiring landscapes. Upon arrival at the NamibRand Nature Reserve we will use an open top Land Rover for spectacular scenic drives through a sea of red dunes, set against majestic purple mountain ranges and golden grass savannah. Enjoy the tranquillity of your private Wolwedans Mountain View Suite.

Day 2: NamibRand Nature Reserve

Encroaching from the west are tongues of dunes with colours ranging from yellow-gold and ochre to rose, russet and deep brick red, paling and deepening as the day wanes. The view from your suite will touch your soul. The panoramic drives within the Nature Reserve will have you stunned with amazement. The beauty of the sunset will make you cry with joy. The stars above your head will make you feel small and fragile. The silence of the night will be louder than your thoughts.

Day 3: NamibRand Nature Reserve

A new day with new impressions. We leave Wolwedans in the course of the morning and travel to the most northern end of NamibRand Nature Reserve. Here you will settle in your spacious private stone and glass “Villa” at the renowned Sossusvlei Mountain Lodge. Your own butler will attend to all your needs and spoil you with personal attention and dedicated service. Scenic drives and guided walks through vast gravel plains with your desert guide are a truly memorable experience, so are the culinary delights in a romantic candle light setting to close the day.

An early rise will enable us to reach the famous highest dunes in the world at Sossusvlei shortly after sunrise. You will find perfect light conditions for stunning photography of the monumentally high dunes and the shadows of their sinuous crests continually changing as the day waxes and wanes. We will walk through the eerie “dead vlei” and enjoy a picnic champagne breakfast under a huge camelthorn tree. After a relaxing “siesta” in your acclimatised suite at the lodge, we will venture into the nearby dunes with all wheel drive quad bikes for another breathtaking view and refreshing sundowners. Before retiring for the night, you may want to gaze at the wonders of the southern skies from the lodge’s sophisticated observatory.
